## PROGRAM PLANNING GUIDE 2017-2018

### Environmental Reclamation Technician Diploma

The purpose of this program planning guide is to help students track their progress within their chosen program. The information in this planning guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

#### Year One

FALL SEMESTER			WINTER SEMESTER		
COURSE	DATE	GRADE	COURSE	DATE	GRADE
BOTA 205			ENGL 155		
EREC 100 <i>Prerequisite: ENGL 30 or equivalent</i>			EREC 115

#### Program Notes:

For more information or assistance with your program, please contact  
Academic Advising at 403 529-3819

- To continue to Year Two of the program, a cumulative minimum 2.0 GPA is required at the end of Year One.
- To graduate, students must:
  - Complete all program courses as outlined along with co-requisite safety and training certificates
  - Attain a minimum cumulative GPA of 2.0
  - Obtain no more than one D or D+ grade in the second year
  - Successfully complete EREC 280, a 220 hour career work experience that normally occurs in spring semester of the second year.
- Required co-requisite certification & safety training: H2S and Level 1 Standard First Aid Level A (with AED).
- Authorization Assistant Pesticide Applicator, WHMIS, PST (Petroleum Safety Training), Ground Disturbance and ATV Safety are highly recommended but not required.
- For students to participate in fields trips/activities to active oil & gas leases they must complete both H2S and Level 1 First Aid Level A (with AED) certifications within the first 6 weeks of the program.
- Costs of certification range from \$50 to \$350; students are responsible for these costs.
- If your computer skills are limited, you should enroll in MICO 191 prior to beginning this program.
