

PROGRAM PLANNING GUIDE 2017- 2018

Practical Nursing

The purpose of this program planning guide is to help students when registering for courses, and to track their progress within their program. *The information in this planning guide is accurate at the time of printing and is subject to change without notice.* It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official (print) version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

Program Notes: Continuation Requirements

- Maintain a C+ in all PRNU graded courses
- Maintain a C- in all non-PRNU courses.
- A CR (Pass) is required in clinical and practicum courses for successful course completion.

Students who are transferring from another nursing program or have been away for more than one year, and will be entering into a clinical course, will be required to demonstrate competence in the knowledge and skills required for that clinical experience prior to the beginning of the clinical course.

Note: You must complete the program within five (5) years of admission to the initial Practical Nurse program
