

PROGRAM PLANNING GUIDE 2018 -2019

Health Care Aide

On-Site Program

The purpose of this program planning guide is to help students when registering for courses, and to track their progress within their program. *The information in this planning guide is accurate at the time of printing and is subject to change without notice.* It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official (print) version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.
