

DISTANCE LEARNING PROGRAM PLANNING GUIDE 2020-2021 Occupational/Physical Therapist Assistant Diploma

SURNAME	GIVEN NAMES	STUDENT ID#

- *The purpose of this program planning guide is to help students when registering for courses, and to track their progress within their program.
- **The information in this planning guide is accurate at the time of printing and is subject to change without notice.*
- *It is the students' responsibility to ensure the accuracy of their program and course choice.
- *Students should use the program planning guide dated the year in which they began the program.
- *This guide should be used in conjunction with the official version of the Medicine Hat College Calendar found on our website, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

Important OTA/PTA Program Information:

The OTA/PTA diploma, when completed by DL, takes a longer period of time than taking the program onsite. It can take up to five years to complete by DL.

- **Students are discouraged from taking more than three classes per semester.*
- **Each student must contact the academic advisor to develop a customized plan of study based on individual needs prior to registering in any classes.*
- **Program plans will not be discussed with the advisor until all transfer credit and other required documentation is completed.*

The following is a full listing of the courses required in this program. Please use this to help in your discussions with the academic advisor.

Continuation Requirements:

- Students must adhere to the professional commitment as outlined in the Therapist Assistant Programs Student Handbook. Failure to do so may result in dismissal from the program.
- Students must complete the program within five years of registration in TAPC 110.
- **All OCTA, OPTA, PHTA, TAPC, KNES, and IDST 100 courses must be completed with grades of C or better.**
- Students must earn a grade of at least C- in all other courses.
- In order to be able to continue in the program, a current and cumulative grade point average of at least 2.0 is required at the end of each semester.
- Attendance in all courses is considered essential.
- Students will usually be permitted to repeat a particular Therapist Assistant course (OCTA, OPTA, PHTA and TAPC) only once.
- Students are normally expected to complete courses in the sequence outlined in the calendar. Courses taken in a sequence other than what is outlined in the calendar [including deferring courses into other terms] may compromise your standing in the program. This also facilitate proper planning for labs and fieldwork.
