

Responsibility & Choice for Student Success

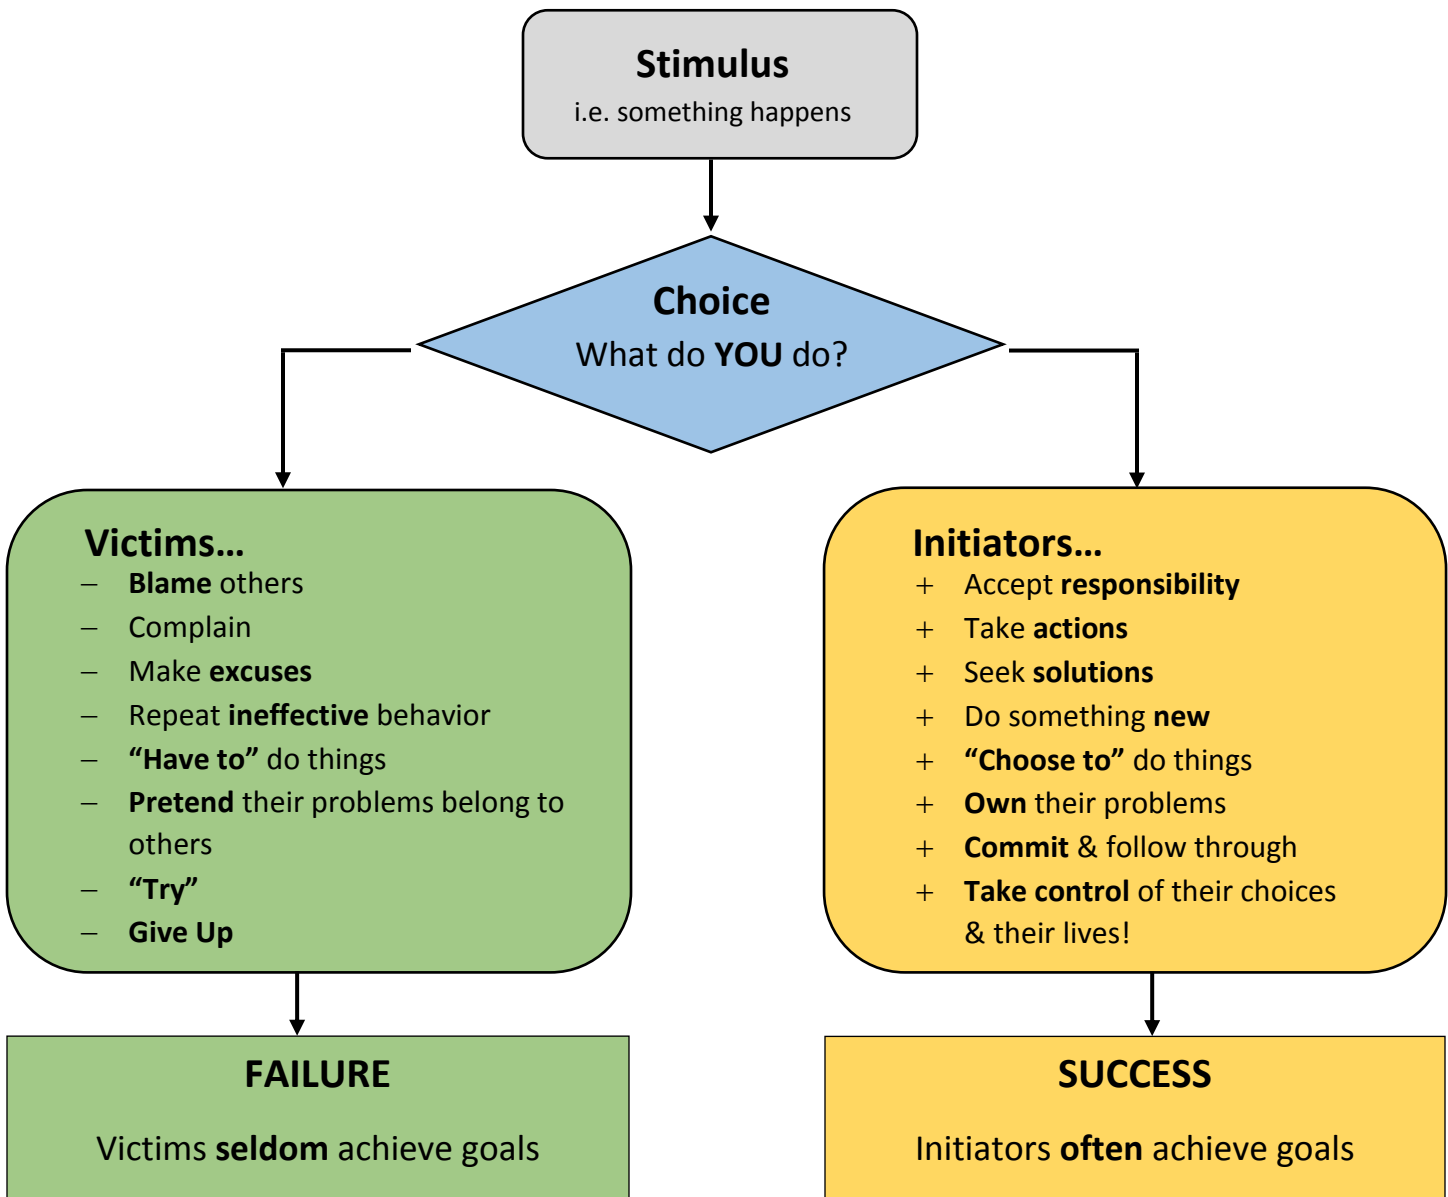

What is self-responsibility? Why is it the key to controlling the outcomes and experiences of your life? When faced with a choice, do **YOU** choose the role of **VICTIM** or **INITIATOR**?

When people keep doing what they've been doing even when it doesn't work, they are acting as

VICTIMS

When people change their beliefs and behaviors to create the best results they can, they are acting as

INITIATORS

Successful students are **INITIATORS**! They take responsibility for their learning and take control of their choices, so they can achieve their goals. It's a matter of attitude!
