## **Continuation Requirements:**

- Students must adhere to the professional commitment as outlined in the Therapist Assistant Programs Student Handbook. Failure to do so may result in dismissal from the program.
- Students must complete the program within five years of registration in TAPC 110.
- **All SLPA, TAPC, KNES, and IDST courses must be completed with grades of C or better.**
- Students must earn a grade of at least C- all other courses.
- In order to be able to continue in the program, a current and cumulative grade point average of at least 2.0 is required at the end of each semester.
- Attendance in all courses is considered essential.
- Students will usually be permitted to repeat a particular Therapist Assistant course (SLPA and TAPC) only once.
- Students are normally expected to complete courses in the sequence outlined in the calendar. Courses taken in a sequence other than what is outlined in the calendar [including deferring courses into other terms] may compromise your standing in the program. This also facilitate proper planning for labs and fieldwork.
