## PROGRAM PLANNING GUIDE 2021 - 2022

### Social Work Diploma

The purpose of this program planning guide is to help students track their progress within their chosen program. The information in this planning guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

### Program Notes:

Electives may be drawn from any courses which transfer to the University of Calgary as per the Alberta Transfer Guide (available at [www.transferalberta.ca](http://www.transferalberta.ca)).

**Continuation Requirements:** To be in good standing, you must:

- Achieve a minimum of a “C” grade in all required courses.
- SLWK courses can only be repeated once (this includes withdrawing or failing the class).
- In order to continue in the program, a **current** and **cumulative** grade point average of at least 2.0 is required at the end of each semester.

### Required Withdrawal

- In addition to the courses required for graduation the students progress in the program will be reviewed each semester by the program faculty. Should the student be found to be in academic difficulty or should their professional suitability be of concern, they may be referred for remedial assistance or, in extreme cases, asked to withdraw from the program.

### Graduation Requirements

- Minimum of a “C” grade in all required courses in order to be eligible to graduate.
- One “D” grade allowed in non Social Work Courses.

For more information or assistance with your program, please contact the Academic Advising office at (403) 529-3819

- Students that have been absent from the program for one calendar year and are returning to complete a course, will be required to successfully complete a comprehensive evaluation. Depending on the outcomes of the evaluation students may be required to successfully complete remediation in preparation to enter the practicum.

You should see your Academic Advisor or Program Coordinator if you:

- Choose to take courses in a different configuration than shown above.
- Drop or fail a course.
- Want to take a course in the spring semester or from another institution.
