PROGRAM PLANNING GUIDE 2024 - 2025

Practical Nursing

The purpose of this program planning guide is to help students when registering for courses, and to track their progress within their program. *The information in this planning guide is accurate at the time of printing and is subject to change without notice.* It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated for the year in which they began the program. This guide should be used in conjunction with the official (print) version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

COURSE	DATE	GRADE	
<i>PRNU 215 (prac)</i> FINAL PRACTICUM <i>Pre-req: PRNU 208, PRNU 209</i>			

Program Notes: Continuation Requirements

- A minimum grade of C+ is required in each PRNU course, BIOL 152 and PHSL 200
- You must maintain a C- in all other required courses
- A CR (Pass) is required in clinical and practicum courses for successful course completion

Students who are transferring from another nursing program or who have been away for more than one year, and will be entering into a clinical course, will be required to demonstrate competence in the knowledge and skills required for that clinical experience prior to the beginning of the clinical course. Students can only re-enter PN Program and must complete the program within 5 years of initial admission.

You should see your Academic Advisor or Program Coordinator if you:

- Choose to take courses in a different configuration than shown above.
- Drop or fail a course.
- Want to take a course in the spring semester or from another institution.

If you need further clarification you can speak with the Program Coordinator or an Academic Advisor by phoning 403.504.3576.
