

PROGRAM PLANNING GUIDE 2024 - 2025

Service Dog and Canine Studies Management Diploma

The purpose of this program planning guide is to help students track their progress within their chosen program. The information in this planning guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

Program Notes:

Continuation Requirements:

- Prerequisite grades must be C- or higher.
- In order to continue in the program, a minimum cumulative grade point average of 2.0 is required at the end of each semester.
- Students that do not meet the continuation requirements will be given an academic warning within the canine studies program. If students do not meet the requirements for a second time, they will receive a program dismissal from the canine studies program and will be required to withdraw from the canine studies program. Students required to withdraw from the canine studies program may still be eligible to attend Medicine Hat College and pursue other programs of interest by applying to the program of choice and meeting the entrance and competitive requirements.
- Students that are dismissed from the canine studies program are dismissed for one academic year.
- While the college and program will endeavor to inform students of their academic status in a timely manner, students are responsible for monitoring their own academic program.

Graduation Requirements

To successfully complete this program students must:
