PROGRAM PLANNING GUIDE - FALL 2025 Health Care Aide Certificate

The purpose of this program planning guide is to help students track their progress within their chosen program. The information in this planning guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official (print) version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

Program Notes:

Continuation/Graduation Requirements

To complete this program, the learner must:

- Attain passing grades in all theory/lab/clinical assessments
- Meet attendance requirements as stated in the Health Care Aide Program Learner Handbook
- Should the student fail to achieve these outcomes, they will be required to withdraw from the program

NOTE: Students who do not achieve a passing grade in a course will be required to repeat it, and must meet with the Department Chair, or designate, or Academic Advisor to determine a progression plan.

All HCA students must successfully complete all coursework, including final course exams, and pass the provincial comprehensive final exam in order to graduate from the program and receive the Government of Alberta Health Care Aide Provincial Curriculum Certificate.
