## PROGRAM PLANNING GUIDE 2026 – 2027

### Mount Royal University and Medicine Hat College Collaborative Bachelor of Education

The purpose of this program planning guide is to help students track their progress within their chosen program. The information in this planning guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

## Program Notes

- This is not an after-degree program. To be admitted into year three you must meet both program and GPA admission requirements. Please see the Mount Royal University and Medicine Hat College Collaborative Bachelor of Education program planning guide for year one and two for more information.
- In year three and four, you must choose co-listed courses. You will be emailed a list of these co-listed courses from the Registration Department in mid-April – May (if you are a third year early admit or going into your fourth year) or in mid-May – June (if you are a third year regular admit). To fulfill program requirements, you are required to select your two 3000 level English courses, one 2000 level Humanities Minor, and one 2000 level Elective from this list.
  - Please ensure you have not already taken the MHC or another post-secondary institution course equivalent.
  - You will not register for these courses through your Student Portal—the Registration team will complete the process on your behalf.
  - You will be automatically enrolled in most of your EDUC courses, but for any courses that have options to choose from, your Academic Advisor will email you the available choices, and you will need to reply with your preferences.
- Transfer credit cannot be awarded for any year three or four courses due to residency requirements (a minimum of 60 credits must be taken while enrolled in the 'Mount Royal University – Bachelor of Education' program).

## **Graduation Requirements:**

To successfully complete the Mount Royal University and Medicine Hat College Collaborative Bachelor of Education you must:

- Complete the minimum 60 credits of required year three and four courses, including the major practicums.
- Have a cumulative GPA of at least 2.0 based on all the courses required for graduation.
