NEW STUDENT ORIENTATION *schedule*

BROOKS CAMPUS FALL 2026

PART 1

AUGUST 18 - SEPTEMBER 1

WHERE:

MHC website

WHAT:

Learn all the need-to-knows about attending MHC, including:

- where to buy your textbooks
- how to access your schedule
- how to use college technology
- supports and services available to you
- and much more!

Completing this part of New Student Orientation is integral to your success in your first year. **This section will take around 2 hours to review at your own pace.**

It is strongly encouraged that all students attend NSO, as it is crucial for your success as a student at MHC. Check your student email **August 18** for an invite to start NSO online and details on your in-person sessions on **September 1!**

PART 2

SEPTEMBER 1

WHERE:

Brooks Campus

STUDENT ARRIVAL

TIME: 8:30AM - 8:45AM

LOCATION: Main Entrance

When you arrive on campus, our friendly staff will help guide you in the right direction.

Make your way to the main entrance and we will show you to your program orientation location!

WELCOME PRESENTATION

TIME: 9:00AM - 9:20AM

LOCATION: Brooks Campus Cafeteria

We're so excited to welcome you to MHC! Join us for a welcome speech from MHC Vice President Academic & Provost, Nancy Brown. You will also hear from our Student Association, Student Success Coordinator and Brooks Campus Administrator.

PROGRAM ORIENTATION

TIME: 9:30AM - 11:30AM

Join your program orientation to meet your instructors and classmates and learn what to expect over the year. It will help you feel prepared to tackle your first day of classes!

- Practical Nurse – Brooks Campus Theatre
- Sunrise Collegiate – Room 108

FREE LUNCH

TIME: 11:30AM - 1:00PM

LOCATION: Brooks Campus Cafeteria

Who doesn't love free food? Join us for some free lunch and spend some time visiting with your new classmates!

RESIDENCE ORIENTATION

TIME: 1:00PM – 2:00PM

LOCATION: Room 107

MANDATORY FOR ALL STUDENTS LIVING IN RESIDENCE

Meet the residence team and learn more about your new home, receive valuable advice for building strong relationships with your fellow residents, and learn about on campus housing rules and regulations.
