## **Action Planner**

Use this planner to determine specific steps you can take to address any challenges you identified.

Tip: Make each action step simple and specific and break more complex actions into single steps.

## **Academic Coaching Services can guide you in this process:**

Justine McKennie • Academic Strategist • https://www.mhc.ab.ca/Services/AcademicSupport/AcademicCoaching

| Action Step What needs to be done? | By When? When will this action be completed? | Potential Obstacles Are there any challenges that could stand in the way of completing the action? How will you manage it? | Necessary Resources Who can you connect with and/or what do you need to complete this step? |
|------------------------------------|--|--|---|
|                                    |  |  |   |
|                                    |  |  |   |
|                                    |  |  |   |
|                                    |  |  |   |
|                                    |  |  |   |
