Note-Please phone to register for sibling rate option 403-529-3844

### **WEEK #1 SUMMER FUN! (5% discount this week)**

Summer's here! We'll have fun connecting through a variety of activities! We'll grab our bagged lunches and head outside for picnics! We'll enjoy indoor and outdoor games and activities, crafts, music and movement, nature walks, a tour of the college, and more! It will be a week filled with many fun things. Come and make new friends and celebrate summer with us!

TUE-FRI, JULY 2-5, 8:00AM – 4:30PM

### **WEEK #2 SPACE**

This week we will make space dough, moon sand, and moon rocks. We will create space art, have fun with space crafts (😊), play games, and much more! As always, we will get outside for fresh air and fun, including going on walks, taking advantage of our fantastic environment right here on campus.

MON-FRI, JULY 8-12, 8:00AM-4:30PM

### **WEEK #3 WESTERN WEEK**

Welcome cowpokes! It's western time in the city! Our ideas for this week's activities are endless, so we'll have many fun things to choose from! There are several crafts planned (some for decorating our room) and some western snacks, too! There are games, fun drinks to be made, and more! Wear your western gear if you like and come ready for fun because it's going to be a stompin' good time!

MON-FRI, July 15-19, 8:00AM-4:30PM

**WEEK #4 ART FROM THE HEART**

Get creative with us this week! There are so many ways of expressing ourselves through art and we'll try a few. What can you create? We'll plan for a special guest based on this week's theme! If you have a special or creative talent or artistic hobby, we welcome you to share it with the group! It might get messy this week, but that's half the fun! We'll balance the week with lots of games and activities-both indoors and outdoors.

MON-FRI, JULY 22-26, 8:00AM-4:30PM

**WEEK #5 BEAT THE HEAT!**

This could be a very hot week so come and join us and stay cool! There will be water play, waterpark, and water challenges and games! We'll splash around in a city water park and stay cool outside right here on campus with water activities. We'll also have fun in the classroom with crafts, games, and eating some cold treats, too! Get ready, get set, and get wet! This will be buckets of fun!

MON-FRI, JULY 29-AUG 2, 8:00AM-4:30PM

**WEEK #6 SENSORY & MOVEMENT (5% discount this week)**

Having fun with sensory bins this week, using our senses in nature, and a fun blind taste test. We will incorporate lots of movement this week, with outdoor games, fun exercises, and walks around the grounds. There are so many wonderful opportunities for all this right here on campus, and we will be exploring.

TUE-FRI, AUG 6-9, 8:00AM-4:30PM

**WEEK #7 MAD SCIENCE**

That's right, a whole week of cool science experiments! Science is amazing! We'll test and try all kinds of things to see what results we get. Do you have a favorite science experiment that's fun and safe to do? Please share your idea and we'll try it with the group! Beyond experiments, we'll enjoy games and activities as well.

MON-FRI, AUG 12-16, 8:00AM-4:30PM

**WEEK #8 THAT'S A WRAP!**

Summer holidays may be over, but the fun is not. Join us for indoor and outdoor activities, exploring the campus (there's always something to see!), a walk down to Kin Coulee Park, a special treat, and more. The kids will decide on some of the activities we do this week, and we'll write about or draw our best experiences of the summer.

MON-FRI, Aug 19-23, 8:00AM-4:30PM
